

Given the ongoing COVID-19 situation and following the advice from Government our office remains closed and in line with the social distancing measures we are unable to carry out the following: Valuations (you can still get an online valuation via the Instant Valuation tab), Viewings, Check Ins/Outs, Inspections and non-emergency repairs. We are able to carry on working from home where possible and are trying to avoid unnecessary travel and social contact but I would like to reassure you and confirm that we are still open and continue to monitor emails and contact customers in an emergency.

The office will remain open from 09:30am to 17:00pm and we will be available by email during these hours. If your call is urgent please leave a message and we will endeavour to call you back ASAP.

For any queries please email [enquiries@martyn-meade.co.uk](mailto:enquiries@martyn-meade.co.uk), for any urgent matters please contact [01695 575278](tel:01695575278)

We would like to wish you all good health during these difficult times.
